

**Planning Next Steps**  
**Engaging Others to Jump on Board - Your Board / Your Project**  
ENCORPS Workshop  
March 30, 2021  
U Maine Farmington

1. What intrigued you that you want to continue to think about?
  
2. Are there areas that you want to discuss with others inside or outside your organization or project?
  
3. List three things that you want to follow up on:
  
4. Thinking strategically about leverage points, which one of these items has the most leverage? Is this different from which one has the most interest to you? Where will your focus make the most impact? Choose a focus.
  
5. What action will you take to further your focus?
  - a. In the next week?
  - b. In the next month?
  - c. In an ongoing way?
  
6. Who will you enlist to support you in this?
  
7. How will you hold yourself accountable for following through (such as identifying someone to check in with in a certain amount of time or developing a team to work with you on this)?
  
8. What else will help you initiate and maintain momentum on this?
